

October 2020

Small Boat Program Training Bulletin 01-2021

What's New

1. Bloodborne Pathogen Awareness 2.0 : Required SBP Operator training every 2 years in coordination with First Aid, CPR and AED Training.
2. Small Boat Standards and Procedures Manual Policy Test (SBP) : Required SBP Operator and Crewman refresher training every 3 years in coordination with Personal Qualification Standards "PQS".
3. NOAA Small Boat Component Course Refresher Test (SBP) : Recommended SBP Operator and Crewman refresher training every 3 years in coordination with Personal Qualification Standards "PQS".

Training Opportunities

1. The USCG Auxiliary Basic Boating and Seamanship (BS&S) is an online approved Instructor Lead Training "ILT" course. http://wow.uscgaux.info/pe_class_flyer.php?unit=NAT&course=26018.
 - The next scheduled course is 26-29 October and is offered via Zoom.
 - Mr. Dane Hahn <dane.hahn@comcast.net> is the lead instructor.
 - The course is being held monthly, but have offered to teach additional courses for NOAA if needed. The cost of the course is \$35 and you have to purchase the book separately.
