## DIVE OPERATIONS PLAN – SAFE SHIP

Before dive operations may commence, the persons listed below shall sign in the “Pre Dive” column to indicate they have been notified of dive operations or required pre-dive actions have been completed. This signature indicates that all necessary precautions have been taken to ensure the safety of all divers. After dive operations have been completed, the same persons shall sign in the “Post Dive” column to indicate they have been notified that dive operations are complete and equipment may be reactivated or other scheduled activities may resume.

Dive operations shall not commence until all required signatures are recorded and approved by the Officer of the Deck and the Divemaster.
