

## NOAA Diving Program Annual Watermanship Assessment

Name of Diver \_\_\_\_\_

Date of Test \_\_\_\_\_

Please rate the above individual's execution of the NOAA Diving Program Annual Watermanship Assessment. As described in the NOAA Scientific and Working Diving Standards and Safety Manuals, all NOAA divers must pass this assessment on an annual basis to maintain active dive status. This form shall be completed, signed and filed on site at the diver's unit.

Please indicate which swim test option was completed:

- 500 m in bathing suit and mask/goggles using any stroke (except backstroke) in 15 minutes.
- 500 m in bathing suit with mask, snorkel & fins in 12 minutes.
- 500 m in wetsuit with mask, snorkel & fins in 12 minutes.
- 500 m in drysuit with mask, snorkel & fins in 15 minutes.
- 500 m underwater in scuba gear and wetsuit in 16 minutes.
- 500 m underwater in scuba gear and drysuit in 22 minutes.
