The individual cited on the second page of this form is applying for an appointment in the National Oceanic and Atmospheric Administration's Commissioned Officer Corps (NOAA Corps), a uniformed service of the United States. This person has furnished your name as a reference.

NOAA Corps applicants must be college graduates with a solid science, math or engineering background. Your candid response to each question listed on the attached form will be of great assistance in determining the applicant's potential for success as a NOAA Corps officer. If you would like to provide additional comments regarding the applicant's character, background and activities, you may attach a letter to this completed form.
