NOAA Small Boat Program

NOAA Component Course

- The NOAA Small Boat Component Course is a one day (8 hour) Instructor-Led classroom session. The course covers NOAA's small boat policies, risk assessment, and team coordination training.
- NOAA Component Course Instructors = 32 have completed the new recertification process.
 - Northeast = 06
 - Southeast = 06
 - Northwest & Alaska = 07
 - Southwest & Pacific Islands = 06
 - NOAA Corps Officers = 07
- Where can I find this list of Instructors? SBP Website [Component Class Instructors](#)

NOAA Small Boat Program

Component Course Instructor Training

- What are the prerequisites to become a NOAA Component Instructor?
 1. Must have attended a NOAA Component Course within the last 3 years
 2. Able to teach in other locations
 3. Where are you located and is there a need due to high turn over
 4. Lack of qualified Instructors in your area
 5. Longevity
 6. Experience w/ PPT, presenting
 - 2 day Train the Trainer classroom setting
 - Newly Qualified = 06 FY 2019
 1. Chris Jacobson >>>>>>>>>>>>>>>>>>>
 2. Wes Parker >>>>>>>>>>>>>>>>>>>
 3. Cyril Michel
 4. LT Keith Hanson
 5. LCDR Brian Elliot
 6. Richard Chesler
- 

Annual Small Boat Examination Course

- This course seeks to train students on effective evaluation of Class A, I, and II boats, using the ASBE checklist standards. The class is a combination of lectures and hands-on evaluations of small boats. It is recommended for anyone who conducts or supervises ASBE's.
- 4 day, 32 hour Course
- 50% Class room
- 50% Hands on

NOAA Small Boat Program

ASBE Course Instructors

- Annual Small Boat Examination Course Instructor, Co-Instructors & Cert ASBE Inspectors = 05
 1. Lead - Darel McCormick
 2. Co - Jeff Kingrey
 3. Co - Wes Parker
 4. Co - Brian Fite
 5. Co - Roger Mays
- Newly Qualified FY 2019 = Brian Fite

NOAA Small Boat Program

Motorboat Operator Certification Course

- This 24 hour course was developed by the Department of the Interior, but is applicable to NOAA small boat Operators. It reviews minimum requirements for safe operation of motorboats and includes a review of legal requirements, preparations, navigation, operations, emergency procedures, rescue, self rescue, trailering, fire suppression and basic seamanship.
- Future NOAA Small Boat Operators may attend the course if there is space available.

NOAA Small Boat Program

MOCC Instructors

- Motorboat Operator Certification Course “MOCC” NOAA Instructors = 19
- Newly Qualified FY 2019 = 01 Kenneth Keene

1. Chad Yoshinaga
2. Peter Plantamura
3. Kenneth Keene
4. Tim Donaldson
5. Dustin Parker
6. Steve Sessions
7. Wynn Carney
8. Cyril Michel
9. Jamie Barlow
10. David McVay
11. Jessica Bohlander
12. Jeff Kingrey
13. Michael Hendon
14. Andrew Gray
15. Eric Norris
16. Wes Parker
17. Brad Weinlaeder
18. Kaylyn McCoy
19. Kate Walter

Points of Contact

Who do I contact if I want to schedule a course or become an Instructor?

- Start with the SBP Training Coordinator for all courses paul.Moreno@noaa.gov

Who are the Lead Instructors for these Classes

- Darel McCormick – Annual Small Boat Examination Course “ASBE”
- Chad Yoshinaga – Motorboat Operators Certification Course “MOCC” NOAA
- Aaron Garcia – Motorboat Operators Certification Course “MOCC” U.S FWS
- Wayne Hoggard, Dennis Donahue, Chad Yoshinaga – NOAA Component Course

ASBE Instructor Qualification Lead:

- Darel McCormick

MOCC Instructor Qualification Lead for NOAA:

- Chad Yoshinaga

NOAA Component Course Qualification Instructor Leads:

- Wayne Hoggard
- Chad Yoshinaga
- Dennis Donahue

NOAA Small Boat Program

Commerce Learning Center

- Can I view these courses on CLC and register?
- Yes, Courses are located on CLC using the search Tab “SBP”
- Do I get a Certificate?
- Yes, attendance approval, then a CLC generated email detailing how to retrieve your Certificate is sent.
- Let’s walk through on how to locate these courses. “SBP” keyword
 - [SBP CLC Training](#)

The screenshot shows the NOAA Commerce Learning Center homepage. At the top, there are logos for the Commerce Learning Center and NOAA. A search bar contains the text "SBP". Below the navigation bar, the header reads "NOAA OMAO HOMEPAGE" and "COMMERCE LEARNING CENTER". The main content area is divided into two columns. The left column contains "Training News and Announcements" with links to OMAO Training Intranet, Mandatory Training lists, and a link to learn how to log in. It also features "Training Announcements" for Annual Records Management Training and Enterprise Services Payroll and Benefits. The right column contains "Your Assigned Training" with a table of training assignments and "Your Inbox" with links to view transcripts and search for training. At the bottom, there are icons for "MY TRANSCRIPT" and "SEARCH FOR TRAINING".

Training Announcements:

1) Annual Records Management Training (ALL HANDS REQUIREMENT)

- Take using Firefox or Internet Explorer (IE), Chrome may cause issue with the video.
- Required per 20 October email from Edward C. Horton <announcement@noaa.gov>
- Due: 19 January

2) Enterprise Services Payroll and Benefits (P&B) – Employee's Role

CLC Records: All legacy records are in the CLC except:

- Marine Ops Courses for which a completion certificate has not been turned in,
- Dive Program and Small Boat Program courses, and
- non-standard training arranged with local supervisors* in which the SF-182 and completion cert were not entered into the CLC.

All of these exception are being addressed. To assist us,

- 1 Please review [YOUR CLC TRANSCRIPT](#) and determine what is missing.
- 2 Collect the associated completion certificate, and
- 3 Be ready to submit via your supervisor when requested.

Data calls specific to your organization between now and 30 September will be done to collect missing training for CLC entry.

NOAA Small Boat Program

Refresher Training

- Coming down the pipe! SBO refresher training in conjunction with PQS on policy and Seamanship
- PQS Assessment on policy (updated annually referencing new policy)
- Seamanship – every 3 years, SBO w/ USCG License are exempt
- NOAA Component Refresher Training – every 3 years
- Additional notes: VOC Handbook is being revised

NOAA Small Boat Program

Training Goals

Small Boat Program Training Coordinator Goals

- Be the primary focal point for all SBP related mandatory Operational Training.
 - Communication leads to planning
 - Training questions and request for training
 - When in doubt who you going to call?
- Establish a standardized list of Training resources.
 - Created with results which have been achieved thru training that aligns with NOAA's missions.
 - These standards should not conflict with each other, needs to work?
 - CLC, Commerce Learning Center as the focal point for all SBP Training Courses
- Create training environments that are productive.
 - Safe working equipment that meets required needs of training.
 - Will this training help me with my job? Narrow down the results?
 - Knowledgeable Trainers? What level of training do you need?

NOAA Small Boat Program

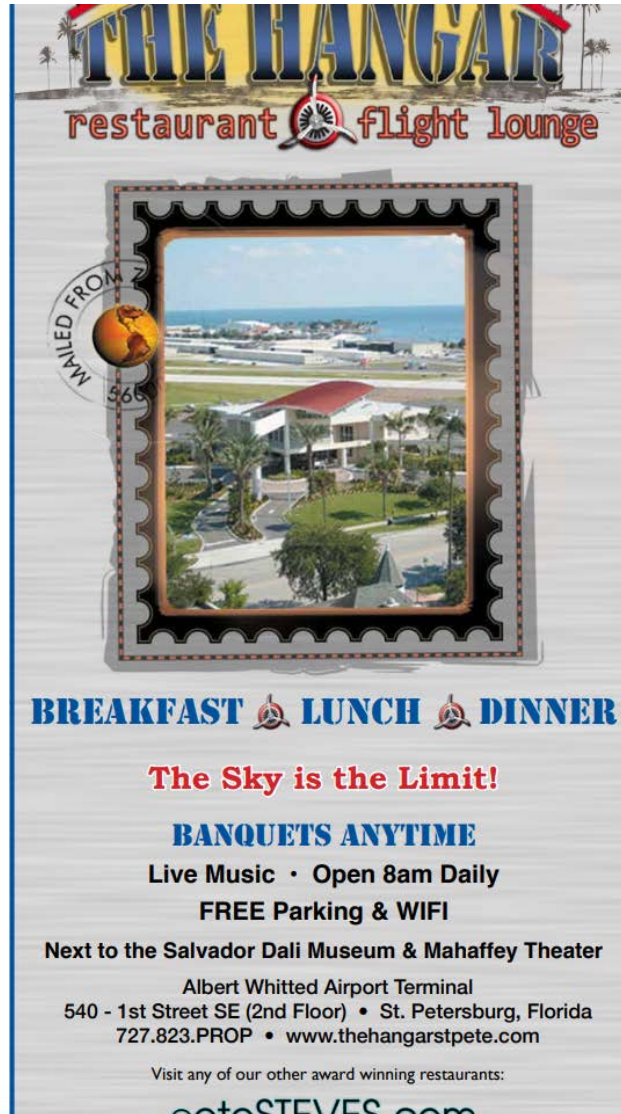

Training Goals

How can I as a VOC or VPC create Training Goals

- Short Term Training Plans – Routine training, such as drills. Have them available for viewing for all to see. This can align with new SB Operator PQS sign offs.
- Long Term Training Plans – This type of training involves planning, such as PQS refresher training, CPR training, recertification training.
- Being organized and creating efficient training plans = Achieving Training Goals.
- Plan ahead and create a safe training environment using all available resources to make it work.
